Hey, hey, wait a minute lady. Are you trying to tell me that you have been visiting a witch doctor? Why would you do a thing like that? Is it so that you can get a nice boyfriend; or so that you can get the one you have got to marry? Think again!

**I guess you have not recognized the folly of what you're doing:** Otherwise you wouldn't be doing it. You see, single woman, you don't get a man by eating hen's shit, which is one of the instructions your witch doctor could already have given you, or by peeing while standing.
