

## **HOME WORK: SHOTLIST PREPARATION**

**Instruction: all Answers must be on a clean white paper A4.**

1. Discuss the post-production phase and the role of the shot list in editing. How does the shotlist affect the selection and arrangement of shots to create the final edit?
2. Why is a shot list an essential tool in the pre-production phase of filmmaking? Discuss its significance in planning and executing a successful shoot.
3. How does the choice of shots in a shot list affect the overall visual storytelling of a film?
4. What factors should a director and cinematographer consider when creating a shot list? How does the tone, genre, and theme of the film influence these decisions?
